

Remarks

Claims 14-26 stand rejected under 35 USC § 101 over claims 1-13 of USSN 07/973,107 (which is the re-issue application for US 5,026,798). Likewise claims 14-26 stand rejected under the judicially created doctrine of obviousness type double patenting over claims 1-13 of USSN 07/973,107 (which is the re-issue application for US 5,026,798).

Applicant has cancelled claims 14-26. Thus the rejections are overcome. New claims 15-20 are to the compound itself not the process and thus do not conflict with claims 1-13 of USSN 07/973,107.

Applicant respectfully submits the claims are in condition for allowance, and respectfully requests notice of such.

Respectfully submitted,
